(hereafter collectively called the "Lands" or individually a "Lot");

B. the consent of the City of Kamloops and the Approving Officer for the City of Kamloops is first required with respect to the Transferor's proposed subdivision of the Lands, and as a condition of such consent, they require a covenant to be charged against the Lands in priority to any financial charges pursuant to Section 219 of the *Land Title Act*, Chapter 250, R.S.B.C., 1996.

**NOW THEREFORE WITNESSETH** that for and in consideration of the sum of One Dollar (\$1.00) now paid by the Transferee to the Transferor, and receipt of which is hereby acknowledged, and for other good and valuable consideration, the Transferor and all persons claiming under him agree to the following restrictions:

1. All Lots, as more particularly defined in Recital A above, created by Subdivision Plan EPP86807 must have installed pressure reducing valves for water services to the Lots.
2. **Contravention of Covenant**
  - a. If an owner or owners of any Lot included within the definition of the "Lands" contravenes this Covenant the owner or owners are obligated to reimburse the City of Kamloops for all costs and expenses whatsoever incurred by the City of Kamloops as a result of the contravention or incurred by the City of Kamloops to enforce this Covenant.

The Transferor, on behalf of itself and its successors and assigns hereby indemnifies and saves harmless the Transferee and its employees, servants or agents from all loss, damage, costs, actions, suits, debts, accounts, claims and demands which the Transferor or the Transferee or any of their employees, servants, or agents, may suffer or incur or be put to arising out of or in connection with any breach of any covenant or agreement on the part of the Transferor or its successors and assigns contained in this Agreement or arising out of or in connection with any personal injury, death or loss, or damage to the Lands, or to any building, modular home, mobile home or unit, improvement, chattel or other structure, including the contents of any of them, built, constructed or placed on the Lands, caused by any matter or thing addressed in the preceding paragraphs as the subject matter of this covenant.

The Transferor's covenants contained in this Agreement shall burden and run with the Lands and shall enure to the benefit and be binding upon the Transferor, its successors and assigns.

Nothing in this Agreement shall prejudice or affect the rights, powers and remedies of the Transferee in relation to the Transferor, including its successors and assigns, or the Lands under any law, by-law, order or regulation or in equity all of which rights, powers and remedies may be fully and effectively exercised by the Transferee as if this Agreement had not been made by the parties.

The Transferor or any of its successors and assigns, as the case may be, shall give written notice of this covenant to any person to whom he proposes to dispose of the Lands or any part thereof, which notice shall be received by that person prior to such disposition. For the purposes of this paragraph, the word "dispose" shall have the meaning given to it under Section 29 of the *Interpretation Act*.

Whenever the singular or masculine or neuter is used herein, the same shall be construed as including the plural, feminine, body corporate or politic unless the context requires otherwise.

If any section or any part of this Agreement is found to be illegal or unenforceable, then such sections or parts shall be considered to be separate and severable from this Agreement and the remaining sections or parts of this Agreement, as the case may be, shall be unaffected thereby and shall remain and be enforceable to the fullest extent permitted by law as though the illegal or unenforceable parts or sections had never been included in this Agreement.

Where there is a reference to an enactment of the Province of British Columbia in this Agreement, that reference shall include a reference to any subsequent enactment of the Province of British Columbia of like effect, and unless the context otherwise requires, all statutes referred to herein are enactments of the Province of British Columbia.

The Transferor shall do or cause to be done all things and execute or cause to be executed all documents and give such further assurance which may be reasonably necessary to give proper effect to the intent of this Agreement.

The parties agree that the Transferee is not responsible to inspect the Lands or to otherwise ensure compliance with this Agreement, nor is the Transferee required to remedy a default of this Agreement and a failure to enforce this Agreement by the Transferee shall not constitute a waiver of its rights hereunder.

This is the instrument creating the condition or covenant entered into under Section 219 of the *Land Title Act* by the Transferor.

IN WITNESS WHEREOF the parties acknowledge that this Agreement  
has been duly executed and delivered by the parties executing  
Part 1 of Forms C and D attached hereto.
